PAINTING INFORMATION

Frames, wheels, and chassis parts of models L-110 through the L-160 and LC-160 series will be painted black.

The frames, wheels, and chassis parts of models L-170 and larger will be painted Harvester Red.

Bumpers, bumper pans, running boards, running board shields, and fuel tanks will be painted black on all chassis.

The hood, fenders, grille, cab, or body equipment will be painted any one of the four standard colors or any one of the six optional colors.
